

## Note from the Director

We at Kidz Time would love the opportunity to provide childcare for your family. We provide transportation to and from local schools, serve snacks, allow for homework time and encourage each child to take part in a variety of physical activities. Arts/ Crafts are always available, but optional. We have qualified teachers to nurture and guide your children as they grow into active, responsible and caring individuals in a safe, fun environment. Our goal is to have your children love coming to Kidz Time where kidz enjoy being kidz.

One of the benefits of our program is the variety of classes available through the Racquet Club. Nearly anytime of year you can choose from swimming, tennis, fitness and even performing arts as extra curricular activities. You may contact our membership department for details at 673-6900

**Buckle-up for the Kidz Time Express**

No more worries about long parent lines to pick up your kidz from school. We provide transportation to and from local schools and we'll even deliver for extra curricular activities such as tutoring, sports practice, dance, martial arts and music as contracted. We strive to serve all of your childcare needs.

Our center is closed for only 10 non consecutive days per year.

We offer easy billing plans with Electronic Fund Transfer, Credit Card and of course Cash.

We are a center on- the -move , offering a variety of outings throughout the year. We also accommodate the child which already has a full schedule with the opportunity to just relax. We know how important it is to have some time to not be on-the-go. We love the "Schools Out" approach to offer such flexibility to enjoy life as your kidz enjoy being kidz.
